

DuraSOL POS Banner 310

■ satin 3608 - 310 µm

Satin coated and tear resistant rigid PVC film with a waterfast coating for eco- and true-solvent inks. The product has a cardboard like touch. Due to its stiffness, the film is suitable for rigid displays and pop-up systems.

Advantages

- Tear resistant rigid PVC base
- Waterfast printouts
- Flame retardant (M1 certified)
- High image definition
- High grade POS material with high opacity

Finished Rolls

Width	Length	Width	Length	Core	Quantity rolls / pallet	Minimum rolls / order	number of rolls / box
30,0''	98,4'	76,2 cm	30,0 m	3'' ø	30	10	1
36,0''	98,4'	91,4 cm	30,0 m	3'' ø	30	10	1
42,0''	98,4'	106,7 cm	30,0 m	3'' ø	30	10	1
54,0''	98,4'	137,2 cm	30,0 m	3'' ø	30	10	1

Mill Reels

Width	Length	Width	Length	Core	Quantity rolls / pallet	Minimum rolls / order	number of rolls / box
